

Dear Nancy -  
The yellow yarn  
was a cute touch,  
but I couldn't fit  
it in the envelope!

Dear family ☺☺

How come it is so easy for  
Shertene to write an 8 page,  
type written letter and I  
can't think of anything to say?!

Well about the only thing  
unusual that has happened to  
me lately, is when I undressed  
Carli for her bath - went in  
and ran her bathwater, and  
when I came back out.....

Well! (you can probably guess  
what she had done....)  
Carli messed all over the living  
room floor - found it, smeared it,  
spread it, ate it, ect. WHAT  
A MESS!

ALL OVER HER GRANDMA'S NEW  
VELVET COUCH, THE HAND EMBROIDERED  
DOILIES, Lamp table, and into the =>

Kitchen. POOR Kid! Now and then I see a little bit of mother in me!

CHILDREN ARE SO FUN THOUGH. THEY DO SOME OF THE FUNNIEST THINGS. NOW, INSTEAD OF CRAWLING, SHE'S LEARNED HOW TO SPRING OFF OF HER FEET LIKE A FROG. And instead of crawling on her hands and knees, she crawls on her hands, and the tips of her toes. One day I got busy doing something and forgot all about her - she crawled into the laundry room, and up the stairs (13 steep ones) all by herself. I about died! How could I FORGET LIKE THAT?

She's really getting to a cute age. She's learned how to maneuver HER GRANDMOTHER mecham (which I don't like so much) but it's funny to see how she's learning so much.

She knows that Doug is "Da-Da" -

... but she still doesn't know that "ma-ma" is me. (SOB)

right now dad is at his annual bowling meet. (every thursday) FOR HIS BIRTHDAY I BOUGHT HIM A ROLL BAR CAGE FOR THE JEEP. HE LIKES ANY-THING TO DO WITH 4-WHEEL DRIVES. THERE WILL NEVER BE AN END TO THE THINGS HE WANTS TO SOUP IT UP WITH. HE'S ALREADY ADDED

NEW WHEEL RIMS, NEW SEATS, Headers, Carburetor-manifold, stereo system, C-B and antenna, Roll BAR, AND OTHER SMALL extras... He Hopes to add to our "tank"...

new shocks, new carpet, new paint job, new tru-track tires, K-c Daylighter spot lights... (a mere \$50 dollars)

HELP!!

...now i know why they say "more families spend more money on the family car than on food."  
I BELIEVE IT!

Ginger: → I hope you get to have twins - that is the most exciting news in a long time! Good luck!

Barry: → How's that beard coming along?  
Marty: → Doug sure enjoyed the time you spent with us - we are saving money so we can make a trip to see you both some time. (if you don't mind...)

Betsy: → How's the little one?  
Sure wish I could see him.

SHERLENE → IT DOESN'T LOOK LIKE ANYTHING HAS HAPPENED WITH THOSE PREGNANT GIRLS. I WAS SO HOPEFUL. SORRY.

DAVID → THANKS FOR GOING TO ALL THAT WORK TO GET THOSE PAPERS AND INFO. ON D.B.T., Mega-diamond and H.T.H. I didn't understand half of it - maybe you could explain it to me some day...?

Got-to-go-now... Love Nancy & Doug
