

Dear Grandma and Grandpa,
I hope you have a happy
Wedding Anniversary!

I'm in our National Geographic, I saw an article on South Africa. I'm going to get a look on South Africa so I can know about it. I hope you have a good time there. If there are cannibals there, I hope they like you.

Yours ~~all~~ truly
Daniel B.

P.S. I am
definitely, surely
SURE That
they'll like

YOU!!
