Hi Y'all!

...Well, they're finally buildin our home over in payson. it should be done within 6 months. (hopefully!) Carly Anne is getting so big! she's a year and a half, and starting to talk a little. Although she's a little bit hyper-active... We enjoy her sooo much! (she loves Rock and Roll... and almost any music, loves to dance too!) Right now i'm managing a little plant store in the Emporium in Provo... so if you need help with your house plants, I'm the Authority! I had to learn everything

there is to know (just about) about houseplants. It's really fun! (been with it for five months now!) I work full time... While Sandy, Doug's sister tends Carli for 50 \$/hour. Carli plays with her cousin, who is just about her age. Doug is still with the Bureau of Reclamation, and is hopefully getting another Raise to a GS-4 at a 6 rating. (about 11,000.00 per annum) he just got a raise about 2 months ago, but he's really going GUN6-10 there! Together we make pretty good money, but it sure disappears fast. We're really enjoying our brand-new jeep. (autum red) Doug hasn't wrecked it yet... Hold your breath! (Not really.) I joined a health spa. (New-life spa)

-2-
- only costs me twelve dollars a
months, and it, together with work,
has trimmed a whole 10 pounds
off me, and kept it off too! I'll
have to take y'all there for a
visit while you're here (its free for
friends & family to visit with me) And
we can all sit in the sauna's and
whirl-pools, and steam rooms, and all
that neat stuff...and relax! (for us
women only!!!) Sorry guys. I'm sooo
excited to see y'all soon! I'm
so home-sick, and I AM Home! (you
know what I mean.) Mom and Charbette
and Brian were all down with colds,
so on my day-off, I made them
a big bowl of home made vegetable

the white Jeep? Well the lady who we were in the accident with kept calling us, and threatening to sue us for money... because we didn't have insurance. Well finally we told her she'd have to quit calling us until after we'd seen the judge about the ticket and so-on. She still called us a couple of times after that, and finally quit. Then we got a letter from the state saying that she didn't have insurance! Boy, was she trying to BLUFF us. We haven't heard a word from her since then.

oh-well, it has turned out okay... so we'll leave it at that.

Love ya'll... so be good!

Nancy, Doug n'
Carli Anne...

.... (and all my plants)
