

note: Sherlene, I was going to get previous records for you in S.L. when Dad went to Smp Club. It was so foggy we came home before we got to London. (over)

Jan 18 1981

Dear Sherlene:

I have sent you the only copies I have of the Oman Tracy Sheets so you be sure to return them to me. I don't want to go get them zeroxed. They are hard to read, especially dates, so I have enclosed the sheets which I and Tracy and Florence Tracy Hall did on Moses and Caleb Tracy, so that will help you with the dates. On the copy of the archive sheet, all dates that are regular type-writing are from records previously searched by the submitter of the sheet. Any stamped dates such as the sealing date of Lorenzo M. Tracy on Caleb's sheet are stamped AS THE WORK IS DONE SO IS AN AUTHENTIC date. I think you can use these dates without proving them, however, as Mom Hall was careful and Oman is even more careful. Submit them in your name, put down the references which are given and add one: # 3 generation sheets, submitted by H. Tracy Hall, Oman Tracy and Florence Tracy Hall,

From what it says in Sept 79 Ensign, the enclosed sheet on the new program, etc, I would think that anyone who thinks there will be no more children born into the family could use their family, if they wanted to, as the first family group sheet. ~~xxxxxxxxxxxx~~ Especially if they fit into the category of having at least some "adult" children. So the Hill's next door, for instance, whose youngest is 6 and whose oldest is 23 could use their own family since they do not think there will be any more children. Future researchers can then find info on the family members because their names are listed and their birth dates on the family sheet, even if mgs, etc. do not appear.

On the dates I cannot supply, search the CFI, or send to S.L. for copies of the ARCHIVE sheet for David, David Jr. and Solomon. I am sure he has submitted these sheets for temple work. I got these sheets out of the 3 generation file.

Shall we try to get all of our sheets in by April 1?

I have enclosed a copy of the sheet we distributed by our ward in the ward newspaper, I have also included a copy of the directive sent out by the church on the 4 generation program I told you about.

Thanks for your Christmas presents and for Baddy's birthday present.

I guess they have defined "adult" as between 20-60, but it seems that we don't need to hold to any really fast rule.

Love,

Mom

P.S. If you will send me the originals I will have the sheets printed (not zeroxed) for the family, and then send the original back to you. Label it on the back in Pencil Sherlene's orig. O.K.

I will check at BY's Library & see if
the Library has archival copies on
microfilm. If they have, they
will be enclosed. If not, if you
cannot read Oman's copy, you
consent for archival copies, I am
sure he submitted at least up
to David J. & Sarah Parron.
The two would have typed
the sheets for the archives.
Send \$1.00 for each sheet you
want.

I didn't see "Howard Hall" sheet -
didn't get to a 2nd center

They (the Library) did have the archives on
film, but David Jr., David, & Solomon were
not there. I took out C.F.I. on the Tray's.
Maybe some ~~other~~ submissions should be
made.

Love,

Mom

P.S. - If you will send me the originals I will have the sheets
printed (not xeroxed) for the family, and then send the original
back to you. Label it on the back in pencil. Sherilee's orig.
