Dear Ida Rose & Tracy,

Thought I had better drop you a line and let you know Jim finished the church in Las Vegas and is now building one in Canyon County - it is part of the city of Santa Clarita. Santa Clarita is an incorporation of Canyon County, Valencia, New Hall, Sunnys, & Juan Palce, & I believe at least ^{about} one more.

We have been here about one month. We did not bring our furniture but stored it in Utah. Maybe we should have but we do not like to pay anywhere from \$1000.00 on up for rent a month. We did buy a new 1988 KOMFORT - 35 feet long. It is the top of the line and is nice though small. It is more like a home inside - all beautiful pecan wood. We have a queen size bed. The bathroom has a huge tub; cordless of storage, 11 mirrors, 2 air conditioners, 4 sky lights, tile on kitchen cabinet. We love it. We always have liked

RV's + Mobile Homes. There are no nice places
for RV centers in Santa Clara (two without
sewer hook-ups & ^{the} one by Major Mountain is
also nice but ~~they~~ ^{got} went Civate this year). So we
are in Sylmar at KOA. It takes Jim 15 minutes
to get to work.

We miss being able to see Cal. Scott, and our
grandchildren but our glad we are well enough to
be together.

When we moved from St. George, my doctor
said I must get a Neurologist and an Internist -
so I have a very good one - I hope. My blood is
still being checked every month and I have other
problems but feel great that at least last year's
health problems are much improved.

How are you both doing? - Also your children
and grand children?

I have an uncle, two aunts, quite a few
cousins, and a niece & her family who live
down in L.A. and so we do see family
sometimes.

Jim is doing quite well. He does
tire easily. He only weighs 184 pounds now

He is still watching his Cholesterol. Had an appointment this morning with an Internist so when he comes home tonight I shall know what the doctor told him.

We brought our genealogy but have not had time to look at it yet.

No ~~phones~~ phones are available here. Jim does have a phone at work - it is

We miss our family & friends in Utah but enjoy hearing from you when we do. 1-805-251-7244.

My hands are still giving me trouble so my writing does not improve. At least, I can use them. I cannot complain.

How are the rest of the family? We have not been to Ogden for 1 1/2 years.

No vacation between jobs - just straight from Nevada to here.

Love,

Mella & Jim
