

Dan's P.S. Dear family.

Daniel & Laura were out of school June 20, with scout & girls camp & summer school following in quick succession. So it was a real treat to take a break for a visit w. D. in Vermont. It was fun too, to visit briefly w. Noel Reynolds &

6 of their crew! He'll pursue political-philosophical issues for a year in Edinburgh, focusing on pre-<sup>US</sup> constitution thought, and David Hume. We talked abt. a recent book on "the real Shakespeare" (Lord De Vere), which he also finds very convincing.

I took D & L (& friends David Talasco & Joy Schumacher) to Camp Kahona (Church recreational property 1 hour north) for the Elders' Quorum annual 'Gourmet Hot Dog Picnic' (everyone was invited) June 15. What a feed! D & friends (& dad) spent the afternoon going off the rope swing into the lake.

Sherlene & I enjoyed some beautiful June wedding receptions (Alyson Watkins wd. an adopted cousin, & Tim Tex wd. a beautiful Japanese girl he taught several years ago during his mission). Actually, Sherlene's most enjoyable activity of the past few weeks, she said, was tearing out a range hood & light together to make room for a microwave unit (on order). She also enjoyed a "writing composer" Relief Society evening, and may begin composing soon.

Some of us also enjoyed recent Sports Illustr. articles on Jerry Kinge & Dale Murphy and a TV movie "The Marcan White Story" about a girl with poor eye-sight, dumped in an institution for retarded. (Heart-breaking & heart-warming). Love, Dan.
