Dear Brothers + Sisters,

We have been busy all summer putting in our landscaping & here are the results.

We are happy with how it turned out & hope we won't move now for several years, so we don't have to do it again. I used dad's tractor all summer to dig + fill + move dirt all over the place.

I would like to see all of you next summer wherever the majority wants just so we get some time to talk to each other. (over)

Michael, Emily & Stephen

We are all well & enjoying each other
& your letters.

See you soon

Alma
