

Dear Grandma,

Thank you very much for the cinnamon rolls and for the bath oil that keeps bugs away. From what I hear about Guatemala, I'll be needing it. My companion and I are really enjoying these rolls. Every time we come in here we see 'em and start eating.

I'd send a "message" so to speak but my Mom will do it for me. All I have to do is send her information and I know it'll be in her 40 page epistle to the family.

You're "hounding" really does me a lot of good so I'm not too worried about "getting away from it." Thank you very much for teaching the faith to my mom who taught it to me. It's the most valuable thing in my life.

Love,

Daniel Hall Bartholomew
