Intro. Putting Argillite Artists a shape in Time
1. 2
a note in Preface: ~~Indian~~ Haida artists have been sculpturing argillite ~~carved~~ for
180 years -
2. ~~Carved~~ History of Haida people expressed in the sculpture.
3. a - tells value + ideology.
b - ~~show~~ shows: 1) Flourishing of the people.
2) ghastly distraction
3. ~~Identity~~ + survival
4. determination to "be" and remain Haida"
(restitution of culture)

Intro.
1 - Haida began carving a soft, black stone called argillite abt 180 yrs ago.
2 - "grew out of" "stranger art" - owes sale
History:
1) - cultural contact with new markets, new ideas - white man.
2. white man's ways soon evident that there to stay.
