

Thank you for the neat  
box and the beautiful stamps  
you sent me from China.  
Thank you for the mission/college  
money which you have given me.  
If I can invest in my  
future children and grandchildren  
the way you have I'll consider  
myself rich.

Love,

Daniel Adl Bartholomew

P.S. Hope to ~~see~~ see  
you soon. (11)
