# OBITUARIES

**Margaret Leone Allen**  
Middleton

Margaret Leone Allen, 75, of Middleton, beloved mother, grandmother and great-grandmother, died Friday, Feb. 5, 1993, in a Boise hospital of cancer.

A memorial service will be held at 2 p.m. Monday, Feb. 8, at the Middleton United Methodist Church. The Rev. Lura Kidner-Miesen will officiate.

Margaret was born July 24, 1917, at Middleton, a daughter of Fred and Edna Stolzenburg. She was reared and educated in Middleton. She married Stanley G. Allen of Caldwell on Aug. 8, 1936, and resided in Caldwell for several years before moving to a small farm near Middleton where she resided until her death.

She was a loving, caring and dedicated mother of five children. She displayed the true pioneer spirit of her ancestors in her love of work and sense of spiritual values and ethics in dealing with others. Margaret was a kind and giving person to all who met her. Her vivaciousness, laughter, optimism and fun-loving personality were contagious. She will be missed by all.

Some of Margaret's many talents included cooking, drawing, singing, dancing, and playing the piano and organ. She was a particularly gifted seamstress who designed and sewed many beautiful creations. Her love for gardening and canning not only brought her great joy, but also joy for those who were the recipients of her labor of love.

One of Margaret's greatest joys was visiting the Oregon coast and camping and fishing at Cascade reservoir with her buddies.

Margaret was active in PTA and the Middleton Garden Club, and was a volunteer for the Disabled Veterans Auxiliary. She was a volunteer for the Red Cross and served on the polio board. She was the noble grand of the Rebekah Lodge and went through all the chairs.

In addition to being a homemaker, she handled the secretarial and bookkeeping duties of her husband's sand and gravel business. She worked for the J. C. Penney Co., and was later involved with direct sales of therapeutic equipment and sewing machines.

Margaret's courageous battles with several major illnesses in her later years have been an inspiration to all who knew her.

Survivors include two daughters and sons-in-law, Sherry Anderson and her husband, Eric of Las Vegas, Nev., and Penny Nygaard and her husband, Kent of Boise; three sons, Don Allen and Jim Allen of Middleton, and Dennis Allen and daughter-in-law, Linda of Boise; a sister, Anna and brother-in-law, Jim Rubottom of Council; eight grandchildren; and six great-grandchildren. She was preceded in death by her husband, Stanley; her parents; a sister, Jennie Cornell; and a brother, Vaughan Stolzenburg.

APRIL 14, 1993

TO: DEAR FRIENDS &  
RELATIVES

*Am sorry to have to inform you of mom's passing and that it has taken me so long to do so. There are so many details to handle!*

*The death certificate shows that she died of cancer, however, it was in remission. A nurse contaminated her central line during her last chemo treatment & she returned to the hospital with a very bad blood infection.*

*When she did not rally after doing everything possible for her, they kept her pain free, & she died peacefully*

*Sherry*
