Dear Ones -  
Did I thank you for the "Mexican  
Heritage" if not thank you  
again and again. Aunt Ella dictated  
a "Bit of my life" It is long, long.  
She dictated to Rayola Keeler - as you  
know; Aunt Hortense's daughter. - going  
back to the Mexican Heritage - I  
read it over and over. Its too bad  
some one did not keep a diary. I  
sure do not remember <sup>but</sup> very little;  
"a big red apple" handed to me, and  
some one said this is the last one".  
"rain on a tin roof", I remember more  
after we left Oaxaca. I am writing  
it down as I remember it -  
Its raining today a very dull day.  
We surely need rain - Back to  
the Heritage, "One correction  
you have identified the three  
sisters, as Lily, Rose, and Adelaide  
it is Aunt Annie instead of  
Adelaide - Aunt <sup>Annie</sup> came with ~~her~~  
~~her~~ husband, Uncle <sup>Joseph</sup> of  
Aninbur<sup>SP</sup> - to Father's friend,

~~How could it have been~~ <sup>not</sup> Adelaide -  
Aunt Annie did not look like mother,  
~~now~~ Aunt Adelaide had same "look" as  
mother. She, Aunt Adelaide did come to  
43 row at Temple. (Aunt Ella said) one time.  
I still drive my car, "just in  
Beautiful" I stay of the freeway - too  
many young drivers - my chedmi, Phil  
and Ran Ann will take <sup>my</sup> to American Fork  
decoration day.

I have sure slowed down; walk like  
a old woman, after all I'm just 90, yr old.  
I thought 50 yrs was old.

I worked in a Dr. office before I went to  
L. B. S. Hospital - I met a patient, a woman  
there - One day she said to me "Are you a  
Langford? I was married to a John  
Langford, I am your Aunt Ruth." (She said I  
walk like a Langford, they did not  
walk that way, after she died, her  
daughters ~~but~~ gave me a lovely glass dish  
that was her mother's.

I have really rambled on - I hope you  
can make sense out of it -

Thank you again for the "Mexican Heritage."

Love Aunt Vera L. Snell (~~and~~)
