Dear

Thank-you for the wonderful
apron. I just love it! I
don't have one & I was
thinking about going out and
getting one a while back.
Thanks to you, I don't
have to! I love to cook as
well, so it will come in
handy!

I am so thankful to be
marrying into such a wonderful
family. I was so tickled to
have been so readily accepted
by everyone. I had such a
lovely time at the Christmas
party, eating dinner & getting to
know everyone. Thank you for every-
thing and take care!
