

THE QUEEN'S UNIVERSITY OF BELFAST

DEPARTMENT OF
MECHANICAL ENGINEERING
ASHBY INSTITUTE,
STRANMILLIS ROAD, BELFAST 9

Telephone:
BELFAST 30111

Head of Department:—
PROFESSOR B. CROSSLAND (EXT. 703)

*Professor of Thermodynamics and
Fluid Mechanics:—*
PROFESSOR E. MARKLAND (EXT. 702)

9th May, 1969.

High Pressure Data Center,
Brigham Young University,
574 J Reuben Clark Library,
Provo, Utah 48601,
U.S.A.

Dear Sir,

I thought that you might be interested in a list of publications mainly on high pressure technology including explosive operations, which I have been associated with in the University of Bristol and, for the last ten years, in the Queen's University of Belfast.

Yours faithfully,

Professor B. Crossland.
