APPENDIX A

NOITAGE-TIME PROFILES

Fig. A.l. Voltage-time profiles are presented in the following order:

- W3N annealed silver in order of increasing pressure,
 (a) to (f).
- MRC annealed silver in order of increasing pressure, (g) to (m).
- 3. MRC unannealed silver, (n) and (o).
- 4. MRC annealed silver in Lucalox sandwiches, (p) and (q).
- Anomalous records with MRC annealed silver,
 (r) and (s).
