High Pressure Data Center
Brigham Young University
Provo, Utah 84601

Gentlemen:

This is to inform you of my change of address:

From: S. H. Gelles
Ledgemont Laboratory
Kennecott Copper Corp.
128 Spring Street
Lexington, Massachusetts 02173

To: S. H. Gelles
Associate Chief
Materials Development Division
Battelle Columbus Laboratories
Columbus, Ohio 43201

I would appreciate being retained on the mailing list for the High Pressure Data Center.

Also, enclosed you will find recent publications involving high-pressure research.

Very truly yours,

S. H. Gelles
Associate Chief
Materials Development Division
