

For your personal use...

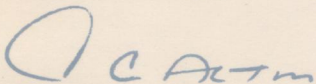

THE NALGENE INDUSTRIAL CATALOG

The enclosed Nalgene Industrial Catalog gives you a ready reference to our complete line of plastic tanks, sinks, fittings, blowers, and traps.

I hope you will keep this catalog handy and use it whenever you have a need for chemically-resistant containers or tanks.

If you have any questions about any items in our line, please feel free to call me personally. I look forward to serving you.

Sincerely,

F. C. Alten
Sales Manager
Nalgene Industrial Department
