

During the progress of this research, three graduate students have carried out work as part of their degree requirements-- Mr. Gordon Bethers, who completed a master's degree in August 1961, Mr. Roy Bennion as a master's candidate, and Mr. Leo Merrill as a Ph. D. candidate.

Respectfully submitted,

*H. Tracy Hall*

H. Tracy Hall  
Director of Research

*J. Dean Barnett*

J. Dean Barnett  
Assistant Professor of Physics
