Dr. H. Tracy Hall
Director of Research
Room 224 ELB
Brigham Young University
Provo, Utah

Dear Tracy:

I am embarrassed that I have not previously forwarded you copies of our revised Tetrahedral Anvil Press brochure. This was printed in October and purely through an oversight on my part, it has not been sent to you. We are enclosing several copies. If for any reason you should need additional copies, let us know.

Very truly yours

MCCARTNEY MANUFACTURING CO., INC.

O. M. Walstad
Vice Pres.
