CONDITIONS UNDER WHICH TOOLS AND OTHER EQUIPMENT ARE RENTED

1. Lessee assumes all responsibility for equipment while out of possession of lessor, and promises to return such equipment to the lessor in as good condition as it was at the effective date of the lease, natural wear from a reasonable use excepted. Lessee shall be liable for any loss, theft, damage or destruction of leased property from any cause whatsoever, including, but not limited to, any act or omission of lessor, except from damage resulting from an act of God or public enemy in time of war.
2. All tools and equipment are used at lessee's risk and lessor assumes no responsibility to any person, including lessee, for the leased property or the use thereof while said property is not in the possession of lessor.
3. We exercise precaution in keeping our equipment in good condition. Conditions which prevent satisfactory operation of equipment do not relieve lessee of his responsibility for rental charges.

RECEIPT OF EQUIPMENT: Lessee acknowledges receiving the equipment, that it is in good working condition and repair, and that he fully understands its proper use. Lessee acknowledges that he has examined the equipment and all devices and materials used to connect the equipment to Lessee's towing motor vehicle, that he has received all of such equipment in a secure condition.

4. Lessor is not responsible for OSHA requirements on the job sight. Lessor is not aware of conditions in which the equipment will be used.
5. All equipment lost or damaged beyond repair will be paid for by the lessee at the regular replacement price and all damaged equipment which may be repaired will be repaired by the lessor on return thereof and the cost for such repairs shall be paid by the lessee. Accrued rental charges can not be applied against the purchase price or cost of repairs of such damaged or lost equipment. All cartage charges must be borne by lessee.
6. **RETAKEING OF EQUIPMENT:** If for any reason it becomes necessary for the Lessor to retake the equipment, the Lessor and its agents may go upon Lessee's property and retake the equipment, without notice and legal process. Lessor and its agents may take all action reasonably necessary to retake the equipment and Lessee waives for himself, agents, and employees all claims for damages and losses, physical and pecuniary, caused by retaking by the Lessor. Lessee agrees to pay all costs and expenses incurred by Lessor in retaking the equipment.
7. Scheduled rental rates begin when equipment leaves our store and continue until returned thereto. A cleaning charge will be made on items returned unclean.
8. I agree to all of the terms of this contract and that all charges for rental, damage, cleaning or material will be paid, and that all collection fees, attorney fees, court costs, or any expense involved in the collection of these charges will be borne by me in the court of the county in which contract is executed.

Weekly or monthly rates apply only when paid in advance.
