Since monthly statements are not mailed under the new system, we urge you to pay all invoices promptly to avoid additional lost time and expense. Also, interest at the rate of 1 1/2% monthly or 18% annually has been added to your account on all accounts not paid during the normal 30 day business cycle.

If there are any problems concerning the invoices, kindly let me know so that I may assist you in resolving the difficulties.

Very truly yours,
