

## LOCAL DIVISION (STATE INSTITUTE OR CHAPTER) DUES

Where an amount is shown for Local Division dues AIC has been asked by the Local Division in your area to bill all members within its boundaries. This is done as a convenience to you and to the Local Division and will enable you to pay your Local Division dues at the same time you pay your National dues. Local Division dues are optional, and if you pay these dues, the monies will be forwarded to the Local Division Treasurer.
