IT IS UNDERSTOOD AND AGREED:

If full payment for the vehicle is not made within ten days after notification that it is ready for delivery Dealer shall have the right to cancel this order and retain advance deposit, whether consisting of used vehicle or cash, as your liquidated damages for my/our failure to complete the purchase. If the vehicle is not delivered within 60 days after specified delivery date, I/we reserve the right to cancel this order and Dealer's liability shall be limited to the return of my/our deposit, on request, less sales expense if used vehicle traded as deposit is sold. Title to the vehicle is to remain vested in the Dealer until purchase price is paid in full.

I hereby represent that I am over the age of twenty-one years and have capacity to contract under and by virtue of the laws of the State of Utah. I/we hereby assume responsibility for any difference in pay-off on a trade-in including any taxes due on said trade-in, in excess of the amount shown on the reverse side hereof, and will pay such difference in cash on demand. If not so paid, I/we authorize Dealer, at Dealer's option, to increase the monthly payments and contract balance to cover the difference and finance charges thereon.

Delivery of this vehicle is accepted by me/us subject to credit approval by a financing institution, and in the event of a credit report unaccept-

able to the financing institution, I/we will return the vehicle herein described immediately to the dealer.

If this order pertains to a new vehicle, it is further understood and agreed that the price is subject to change without notice and if the price of the

unit herein ordered is increased before delivery, to me/us, I/we agree to pay the new price at the time of delivery.

In accepting delivery of the new vehicle described on the reverse side of this Invoice - Order I/we, hereby acknowledge receipt from the dealer of a copy of the warranty which the dealer has been authorized to deliver to me/us. I understand that dealer makes no other warranty either expressed or implied.

If this order pertains to a used vehicle (new car warranty does not apply) it is understood and agreed that the Dealer does not guarantee year of manufacture or mileage run of the above described vehicle. The price of this vehicle is expressed "as is" to mean the full price in the exact condition and with the exact equipment as at the time of the signing of this order without any change whatever, unless specified in writing above. By this order, I/we acknowledge ample opportunity for trial and inspection of the above vehicle and agree that delivery will constitute my/our acceptance of same in its then

condition. It is clearly understood that the above vehicle is sold without guarantee unless separate written guarantee is issued.

This order is non-transferable and is not valid unless signed and accepted by the Dealer, his sales manager or other authorized officer of the Dealer. All the terms and conditions herein set forth are subject to acts of God, governmental action, strikes, labor disturbances, fires, additional taxes, floods, earthquakes, inability to obtain the automobile described herein, partial or total interruption, loss or shortage of producing, manufacturing or transportation facilities or any other cause beyond Dealer's control, whether or not similar to any of the causes specifically enumerated, and in the event that performance in whole or in part is prevented or hindered, or cost is abnormally increased as a result thereof, Dealer shall not be liable for any losses, damages or delays occasioned thereby, and performance hereunder shall be excused without any liability on Dealer's part.

I/we agree to furnish and/or transfer my/our insurance coverage for the vehicle purchased before or upon delivery thereof.

If liability insurance is not included on the reverse side hereof I/we as purchaser(s) are hereby notified that this does not insure me/us against damages resulting from the ownership or operation of said vehicle arising by reason of personal injury or the death of any person, or from injury to property. In the event it becomes necessary for the dealer to enforce any of the terms and conditions of this order, I/we agree to pay reasonable attorney's fees. The above order constitutes the entire terms and agreement between us in reference to the above vehicle.

STATEMENT FROM THE DEALER

We very much appreciate your order for this vehicle. It is our desire to deserve your continued friendship and confidence in the proper servicing of this important vehicle investment,

If the vehicle purchased is a new vehicle you have the added protection of a New Car Warranty as explained in your Warranty Certificate.

In order that we may remain friends through understanding we call your attention to the fact that the new car warranty does not cover "maintenance services."

Your new vehicle will prove to be a very satisfactory and efficient vehicle if it is properly maintained with regular attention. Normal maintenance services, including, but not limited to the following, are not warranted since they consist of legitimate owner expense items due to operation and normal wear and tear:

BRAKES—Pedal, linkage and shoe adjustment. Bleeding, flushing and filling of system, where not made necessary due to a defective part.

ENGINE TUNE-UP-Cleaning and adjusting spark plugs, distributor, points, carburetor, air cleaner, valve adjustment. Tightening cylinder head, cleaning fuel pump, throttle and choke adjustment, changing carburetor jets, grinding valves and cleaning carbon.

GASOLINE MILEAGE-There is no warranty on this item because gasoline mileage is largely dependent upon the owner's driving habits and other conditions beyond dealer's control.

TIGHTENING-General tightening of all bolts, studs, nuts, etc., made necessary due to car operation — i.e., engine mounting, body bolts, spring shackles, etc.

SQUEAKS AND RATTLES- There is no warranty either by the manufacturer or the dealer with respect to squeaks and rattles. They usually develop, if at all, after the vehicle has been subjected to road shocks and other driving hazards over which neither the dealer nor the manufacturer has any control.

WHEEL ALIGNMENT AND BALANCING-No coverage is provided on these two items because "perfect alignment" of both front and rear end are "locked in" at the factory when car is produced.

CLUTCH- Pedal adjustment.

ELECTRICAL-Adjusting voltage regulator, head lamps and battery terminals; maintenance of battery, generator or alternator, starting motor commutators and brushes, wiring and connections.

COOLING-Radiator flushing, adjusting fan belt.

FUEL SYSTEM-Cleaning and tightening of gas lines, tank and connections.

PAINT-Any repairs due to causes other than factory responsibility, i.e., stone chips, abuse, harsh polishes, road surfacing materials, etc. Paint adjustments can not be considered unless prior approval is secured from the Factory Representative before work is performed.

ALIGNING- The alignment of doors, hood, etc., were all checked by the manufacturer for correctness before your car was delivered to you.

TIRES-No overage is provided on tires since they are covered by the tire manufacturers warranty. For adjustments the tire dealer handling the make of tire on your car or truck will be happy to help you.

It is suggested you keep the warranty certificate in the glove compartment of your car at all times as it is necessary to present the certificate if application is made for warranty service.

Our service personnel is always happy to advise and counsel you on the services and maintenance requirements of your new vehicle, for as new car dealers, we are most interested in your driving pleasure and economical operation of this vehicle. We invite you to avail yourself of the trained personnel, facilities and special equipment which are provided to retain your satisfaction and enjoyment in the operation of your new vehicle.
