THE 1972 FORD

No car near the price has Ford's gift for quiet, smooth going. A solid, road-hugging ride that stems from quality construction. And strength.

The durable Ford-S-frame uses computers where they count. To mark every point where the rubber body meets the steel. More boxes to hold more front and rear suspension. Sober, luxurious, and reliable. It's a Ford. Frictionless. Standard. up, while stays out

Driving controls are fingertip convenient, Handling was never easier.

Better idea options let you get even more comfort and convenience. New power-operated sunroof. A new decklid release. 10-cu. in. V-8 engine. You'll save gas. See your Ford Dealer.
