Order Number:

The serial number of the sales order used to originate the particular transaction. It is used for internal control by the Times to aid in giving you better and more efficient service. Each insertion and subsequent changes have been brought together and appear as a group entry on the invoice-statement.

Source:

This is the number of the salesman who handled your order.

Ins. Ord.:

Original number of insertions ordered by you on a particular order. RH indicates a 30 time or 'til forbid insertion order.

Code:

This is the code for the type of order used internally by the Times to process your order.
