## MEMBER DUES AND SUBSCRIPTION INFORMATION

1. Most, but not all, ACS divisions have chosen to have their dues included in this billing. *Should the billing not include dues for any division to which you belong, please refer to the enclosed brochure for information on how payment should be made.*

The brochure also indicates how you may apply for membership in divisions to which you do not now belong.

2. If journals in addition to those listed on reverse side are desired, please add them to the list and adjust total on the invoice. See enclosed brochure for descriptions and prices.

3. A sum of \$5.00 is allocated from each member's annual dues for a calendar year subscription to "Chemical and Engineering News," the official organ of the Society. This sum cannot be deducted from dues.

4. ACS regulations provide that members are responsible for 1973 dues unless written notice of resignation is received prior to January 1, 1973. Any person in arrears for dues for one year shall cease to be a member of the Society. Dues are not payable in installments.

**EARLY PAYMENT WILL BE APPRECIATED.  
YOUR SOCIETY IS GRATEFUL FOR YOUR
