Re: our purchase order # P-2458

Item: 1 set cat. no. 107-222, Gem Dial Indicator set  
with leatherette case.

The above item is defective, the dial sticks and  
is erratic. It often does not "follow" but  
hangs up when making a set up.

Please replace it with a good one. The item  
(along with the other two items ordered) was  
received yesterday.

Thank you.
