Dear Mr. Hall:

Life Insurance
Through Official Society of
The Sigma Chi XI Group Life
Insurance Program
Underwritten by Phoenix Mutual Life
File 294128

One of the most difficult tasks we have is to decline a request for life insurance.

Based on confidential medical information we have received, and subsequent evaluation of your request, we find that we are not able to provide you with the coverage of life insurance provided by the Official Society of the Sigma Chi Group Life Insurance Program.

If you have any questions on this decision, we must advise you that we are not at liberty to disclose any medical information unless our Medical Division receives a written request from your family physician for such information.

You may be sure that your request was given the most careful consideration and we are sorry that we cannot be of service to you at this time.

Sincerely,

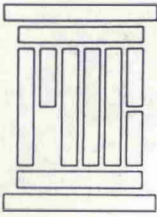

Jean Parker
