Re: Heavy equipment moving assistance
Univ. of Western Ontario

Attn: Earl B. Medland, President

Dear Mr. Medland:

At the pleading of Prof. H. H. Schlossain on behalf of Mr. W. C. Simkins (physical plant of the University of Western Ontario), we enclose our check number 569 in the amount of \$473.63 which is in addition to our check number 563 in the amount of \$500.00 previously sent. This brings the amount paid to \$973.63 which is the total amount of your bill dated July 8, 1974.

As you already know, we consider your bill to be exhorbitant. You charged heavily for equipment not even used (in particular, a "Tilt and Load Machine-Truck"), your men were profane and lazy, and you were not adequately equipped for the job. I can speak about these sort of things from experience. My grandfather and father were both in the moving business and I have been involved with the moving of heavy equipment such as that which we delivered to the University of Western Ontario for over twenty years.

Very truly yours,

H. Tracy Hall
President
