

5 April 1974

Dr. Hall.

Mr. Montross from the Naval Research Lab. in Washington, D.C. called. (You needn't return the call unless you want to -- the telephone # is (202) 767-3090)

Called in reference to a drawing delivered by registered mail, received by you on April 2. In the accompanying letter, you were asked to reply by April 12<sup>th</sup>. The reply time has been extended to April 19.

(He also mentioned that this drawing was supplementary to other drawings from Dr. Alan Webb.)

You will soon receive a wire with the above message.
