Dr. Tracy Hall
Director of Research and Development
Brigham Young University
Provo, Utah

Dear Tracy:

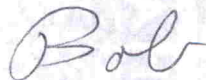

Enclosed is the program for our Fluorine Symposium to be held on July 13-14, 1973. We are looking forward to having you with us as our guest speaker at the banquet. We would be delighted to have you bring Mrs. Hall with you.

We have moved the time of the social hour to 7:00 PM and the dinner to 8:00 PM. This will be held in the Plaza Room at Snowbird Lodge in Little Cottonwood Canyon.

There will be a bus leaving from the University Chemistry Building at 6:00 PM to take those who do not have transportation to Snowbird Lodge.

I appreciate very much your willingness to join with us and look forward to seeing you and Mrs. Hall.

Sincerely,

Robert W. Parry
Professor of Chemistry
