Deposit Requirements

87-0293951

Generally, you must deposit the income tax withheld and both the employer and employee social security taxes with an authorized commercial bank or a Federal Reserve bank. A Federal Tax Deposit Form 501 must accompany each deposit.

The amount of taxes determines the frequency of the deposits. The following rules show how often you must make deposits.

(1) If at the end of a quarter the total amount of undeposited taxes is less than \$200, you are not required to make a deposit. You may either pay the taxes directly to Internal Revenue along with your quarterly Form 941 or make a deposit.

(2) If at the end of a quarter the total amount of undeposited taxes is \$200 or more, you must deposit the entire amount on or before the last day of the first month after the end of the quarter. If \$2,000 or more, see rule 4 below.

(3) If at the end of any month (except the last month of a quarter) the cumulative amount of undeposited taxes for the quarter is

\$200 or more and less than \$2,000, you must deposit the taxes within 15 days after the end of the month. (This does not apply if you made a deposit for a quarter-monthly period that occurred during the month under the \$2,000 rule in 4 below.)

(4) If at the end of any quarter-monthly period the cumulative amount of undeposited taxes for the quarter is \$2,000 or more, you must deposit the taxes within three banking days after the end of the quarter-monthly period. (A quarter-monthly period ends on the 7th, 15th, 22d, and last day of the month.) In determining banking days exclude local banking holidays observed by authorized commercial banks, as well as Saturdays, Sundays, and legal holidays. The deposit requirements are considered met if: (a) you deposit at least 90 percent of the actual tax liability for the deposit period, and (b) if the quarter-monthly period occurs in a month other than the third month of a quarter, you deposit any underpayment with your first deposit that is required to be made after the 15th day of the following month. Any underpayment that is \$200 or more for a quarter-monthly period that occurs during the third month of the quarter must be deposited on or before the last day of the next month.
