Attention: Dr. Howard Tracy Hall

Gentlemen:

We are in the process of preparing a separate Automobile Policy effective from October 4, 1972 to cover your 1972 Ford 8 LTD Sedan, Serial No. 2P66S161756 for the following listed Insurance:

Bodily Injury Liability \$100,000./\$300,000.
Property Damage Liability \$25,000.
Automobile Medical Payments \$5,000.
Collision with a \$100. Deductible
Uninsured Motorists Insurance \$10,000./\$20,000.
Comprehensive Physical Damage (Actual Cash Value)

Please complete and return the enclosed Application, being sure to list the names of the customary operators of this vehicle on the reverse side of the Application.

You will now have three separate Automobile Policies with our Companies. Your Mobile Home Trailer and 1970 Chevrolet Pickup Truck are insured in a separate policy to support your family partnership business, and your 1966 Chrysler is insured in a separate family form policy.

Very truly yours,

C. Robert Schaaf
Branch Manager
