

All moissanite gemstones available for jewelry are lab-created.

INTRODUCING LAB-CREATED MOISSANITE.

SCIENTISTS SAY ELECTRICITY HAS NO SIZE, WEIGHT OR COLOR.

WE BEG TO DIFFER.

Now there's a gemstone with the power to radiate not just the light around you, but the light within you as well. Moissanite. So rare in nature, it had to be created by man. Now available at fine jewelers. Come see the new gemstone that's generating so much excitement. For more information visit www.moissanite.com.
