Dear Prof. Tracy Hall,

I hope you have enjoyed your vacation in the different countries you visited and had a comfortable journey back home.

I am writing this letter specifically about the heat control and rectifier units and the voltmeter and ammeter that you kindly agreed to replace (the ammeter on additional charge). I shall be grateful if you could kindly send these securely packed to the following address:

Mr. J. Pellegrino
Office for Projects Execution
United Nations Development Programme
866 United Nations Plaza
New York, N.Y. 10017.

Mr. Pellegrino has agreed to pouch these parts to New Delhi as soon as he gets them.

I shall be grateful for immediate action.

With kind regards.

Yours sincerely,

Bhagawala
B.K. Agarwala.
