Gentlemen:

The 200 Ton Cubic Press is now complete in all aspects and is being palletted for shipping. A photograph of the completed unit is herewith enclosed. Also enclosed is a complete breakdown of everything that will be shipped. There will be a total of three pallets (totally enclosed) and in pallet No. 3 there will be a total of eight boxes and some unboxed components. A listing of the contents of each of these boxes is also enclosed. I hope that this information is complete enough for you to be able to obtain the import license.

Sincerely,

H. Tracy Hall  
President
