Re: IND/72/058

Your cable of September 11th was received today. Unfortunately I will not be able to leave Provo before Weds., October 15, 1975. I am sorry that it will be impossible to leave earlier.

Could I please have a clarification as to the payment of my agreed upon fee of \$7000.00 US for this trip and for the arrangements to pay travel expenses? I am desirous of taking my wife along and of course would like to take advantage of the reduced airline fares that are available . I would, naturally, pay for her expenses but mine are to be paid for.

Thank you for your consideration.

Sincerely,

H. Tracy Hall
