Dear Dr. Hall,

I sincerely wish to thank you for taking the time to speak to me when I called last Tuesday. I hope I have not put you to any inconvenience.

As I told you on the phone, my father has experimented with artificial means of producing diamonds for over 30 years. He has never been sure that he has succeeded.

I have enclosed a \$20.00 check to cover the testing costs of the sample. Please let me know if more is required. Also, for your conveniece you will find a self addressed envelope for the tests results.

Thank you for your courtesy.

Respectfully,

Rodney F. Gerrard

Dear Mr. Gerrard:

Our analysis of the sample submitted for examination did not detect the presence of any diamond. Diamond would have to be present to the extent of 15% in order to be detected as I told you over the telephone when you called me.

We received your check No. 179 in the amount of \$20.00 for which we thank you.

Your sample is returned with this letter.

Very truly yours,

H. Tracy Hall
