Dear Dr. Hall,

I would like to thank you and David for your time, good hospitality, much-appreciated assistance, and airport transportation during my interesting visit. I am remiss not wiring sooner, hoping that we could have come to some decision on the matter by this time.

We trust that you are feeling better by now and that your daughter's wedding was a joyful occasion.

We hope to shortly be supplying Dave with some of the items promised, and also hope that his work is progressing well. We have a few more questions and plan to be contacting you/Dave in the near future on such.

Thanking you again, I remain,
JHW/mtf

cc: Dr. W.F. Wright

Respectfully yours,
