Provo, Utah 84601

Gentlemen:

Brigham Young University has miscellaneous lathes, grinders and a Millrite Mill per attached specifications for sale. This equipment may be inspected by contacting Jim Hoen at the Research Machine Shop, BYU Extension 2270.

If you are interested in the purchase of this equipment, we would appreciate your submitting sealed bids to the Brigham Young University Purchasing Department, C-144 ASB on or before July 22, 1974. Please submit bids with FOB point as Brigham Young University.

The university reserves the right to accept or reject any bid.

Very truly yours,

BRIGHAM YOUNG UNIVERSITY
