We have a HENDY 24-30 X 48 light duty lathe (It has a 3" riser block).
Its serial number is 38023H1018. We understand that you are in a position
to supply parts for Hendy lathes. If operator's manuals, parts catalogs,
maintenance manuals or similar items are available would you please inform
us of what is available and at what price?

Thank you for your consideration.

Very truly yours,
