Dear Dr. Badachape:

It is anticipated that the hoses you ordered via telephone a couple of weeks ago will be ready for shipment by the end of this month. I am sorry to report that they will cost considerably more than the off-hand estimate given to you over the telephone. The total cost including insurance and prepaid shipping costs to Houston will be \$302.00.

We would very much appreciate receiving a written confirming order to the verbal order that you gave me for these high pressure hoses. Thank you very much.

Sincerely,

*H. Tracy Hall*
