Dr. A. E. Beck
Department of Geophysics
University of Western Ontario
London 72, Canada

Dear Dr. Beck:

AND ADDRESS OF THE PARTY OF THE

Thanks for your letter of November 10 concerning my proposed visit to your laboratory. I tentatively plan to arrive in London early Thursday afternoon and would leave Saturaday morning. As mentioned in my letter of November 1, my wife will be with me on this trip. I would appreciate your making lodging arrangements for both of us for the nights of Thursday, April 13, and Friday, April 14.

Thank you for your consideration, I am looking forward to this visit.

Very truly yours,

H. Tracy Hall Distinguished Professor

HTH/mr
