Dear Dr. Barr:

I wish to thank you again for the hospitality shown to me on my lecture trip to beautiful Victoria and Vancouver Island. I am particularly grateful to Dr. Montgomery and his wife for taking the afternoon to drive me around.

My travel expenses are enclosed. I am also returning the unused air line tickets. The travel agent here says that the purchaser should apply for a refund that should amount to about \$13.00.

I wish you and your associates continued success in your endeavors.\*

Sincerely yours,

H. Tracy Hall  
Distinguished Professor
