Dear Dr. Barr:

I appreciated receiving the tickets and the copy of the itinerary for my trip to Victoria and Vancouver. It was certainly thoughtful of you to make these arrangements.

If possible, I would like to have a 35 mm slide projector for the talks. If not readily available, however, we could easily give the talks without it.

I am looking forward to my visit and to the lectures.

Very truly yours,

Dear Dr. Hall:

I have enclosed your tickets and a copy of your itinerary. United would like you to check with them and give them a local phone number on receipt of the tickets. There has been one change in schedule - the Victoria talk originally scheduled for 5 p.m. has been moved to 8:30 p.m. Either I or Dr. Henry Montgomery will meet you at the Victoria airport. I am sorry we could not arrange better connections at Seattle, but do try to get a window seat on the PWA flight to Victoria - the scenery is well worth it.

Yours truly,
