Gentlemen:

Would you kindly quote price, f.o.b. point, terms, and delivery information on the following transformers from IDEAL INDUSTRIES, inc., Sycamore, Illinois. I have purchased this same equipment from you in previous years for experimental use. I should be charged Utah Sales Tax on the same.

4 each, Ideal Industries J-45 transformer only for 10-005 brazer. The last time that I purchased this item (1966) they were quoted at \$56.00 each.

Thank you.

Sincerely yours,

H. Tracy Hall
