August 2, 1972

Professor H. Tracy Hall
Department of Chemistry
Brigham Young University
Provo, Utah 84601

Dear Tracy:

It was good to talk with you today.

We would like to have our dedication ceremonies for the Charles Richard Saunders Chemical Laboratory on Thursday, September 28.

We would like for you to spend the entire day with us and consequently suggest that you plan to arrive in Columbus, Georgia Wednesday evening September 27. We would take you to Columbus on Friday morning September 29 for your trip home. Joan and I would like for you to stay in our home the two evenings you are in Auburn.

We would like for you to give a somewhat general talk Thursday afternoon on Science and Education, Science and Society, Science and Government, etc. and then on Thursday evening give a technical presentation on some of your high pressure work or a review of the field of high pressure.

We would be able to give you an honorarium of \$400.00 in lieu of per diem and transportation. I believe this in effect would amount to a personal honorarium of approximately \$100.00.

We certainly hope you can fit this program into your busy schedule.

Sincerely yours,

A handwritten signature in blue ink that reads "Charles B. Colburn".

Charles B. Colburn
Professor and Head

CBC/jbd
